## Lamoille Health Partners Information

**Lamoille Health Partners Mission:** We are neighbors taking care of neighbors and our mission is simple: Deliver premier, comprehensive healthcare for all people in the Lamoille Valley.

**Lamoille Health Partners Values:** We are committed to comprehensive, premier healthcare for everyone. (Patient- centered; Compassionate; Innovative; Trustworthy)

**Lamoille Health Partners Approach:** At Lamoille Health Partners, we take a holistic approach to care, ensuring our community members have access to the healthcare resources needed during every stage of life. From pediatrics and family medicine to dental care, behavioral health and wellness, and pharmacy services, we offer a connected and coordinated system to meet all your care needs.

In addition to the premier medical care services we offer, we are also committed to addressing “social determinants of health” (SDOH) for our community – those non-medical parts of our lives, like transportation, access to food, and housing – can dramatically impact our health. In addition to the amazing work provided by our Community Health Team in this area, we are committed to expanding our enterprise and partnerships to encompass all of our community’s SDOH needs.

**NCQA Accreditation:** Lamoille Health Partners is committed to high-quality patient-centered care. Our team is committed to providing the highest quality and service, so patients have the best experience possible.

## **Outline of The Community Center Mission, Vision, Culture, and Covid Protocols**

### **Vision**

The Lamoille Health Partners Community Center is a place for youths to come and be themselves in a safe and supportive environment. Through play, social interaction, and life skill building activities we hope to empower and educate our youths to be a strong voice and take pride in their community.

### **Mission Statement:**

Our mission is to help youths become the best versions of themselves by building their communication skills and encouraging them to be compassionate and respectful of others by demonstrating and nurturing a safe space for them to grow.

### **Policies**

Below is a list of the Lamoille Health Partners Community Center's policies. For us, maintaining clear and fair rules – and upholding those rules – is paramount for maintaining a safe and respectful environment. Though our policies below will be followed in every instance, we also recognize that each case is unique, and we are always willing to have the youth defend themselves before we make any punitive motions. Though we value rules and the reasons they are created, there is nothing more important to us than communicating compassionately and productively with our youths and community.

### **Ages:**

The Lamoille Health Partners Community Center serves middle school youths.

### **Language and general conduct:**

Youths on the recreational spaces and inside the Community Center are expected to behave respectfully of each other and the public, including our neighbors. The staff interacts with youths at The Community Center, modeling behavior and coaching kids through errors in judgement relating to behavior and language. Bad language – on the recreational spaces or inside the Community Center – is strongly discouraged. We understand youths may use some swear words in conversation to peers but swear words at an individual or groups is prohibited and can result in barring from the program.

### **Covid Protocols**

The Center follows the CDC guidelines put in place per the Vermont Department of Health.

### **Center's hours:**

The Community Center is open Monday through Friday from 3:00 to 6:30 p.m.

Summer hours TBD

## The Community Center Promise

### Vision:

The Lamoille Health Partners Community Center is a place for youths to come and be themselves in a safe and supportive environment. Through play, social interaction, and life skill building activities we hope to empower and educate our youths to be a strong voice and take pride in their community.

**To come to The Community Center, I make a promise to help keep it a safe and comfortable environment.**

By signing this paper, I promise that I will:

- **Always** respect the building and the people and things in it.
- **I will** never threaten or cause violence to anyone and will never purposefully hurt someone else's feelings.
- **I will** never use hate speech (the N-word, "fag," and words like them).
- **I will** never steal anything from anyone or The Community Center.
- **I will** never damage The Community Center or act like I might damage it.

**I will** always get permission and sign-out The Community Center things that I want to borrow and will return them, or I will replace them.

### Substances:

I will never smoke cigarettes, vape, do drugs, or have alcohol on the property, which I know is everything inside the fence, including The Community Center, the surrounding recreational spaces, or before coming to The Community Center.

**I will** listen to The Community Center's staff with respect and understand that consequences for undesirable actions will be upheld.

**I understand** that if I break any part of this promise I will lose the privilege of coming into The Community Center or the surrounding recreational spaces.
